

# HOW TO FIND OUR NEW OFFICE & WHERE TO PARK

**918 S Horton Street, Suite 1015  
Seattle, WA 98134**

## **PARKING:**

Follow the **GREY ARROW** to the garage in front of the Urban Storage office.

If garage is full, park on Horton Street or follow the **BLACK ARROW** to the end of Horton and go left up the hill to the garage to find the Guest Parking spots. (**Warning:** If you exceed your time, you will get a \$45 ticket!) Except for the 2 Hr Guest Parking spots, the back garage is Permit Parking Only - and they ticket!

## **Visiting on a Saturday or Sunday?**

On the weekends, our neighbors at Fabriform generously allow our guests to park in front of their building on Horton and on Airport way - ONLY ON WEEKENDS.

## **ENTERING THE BUILDING:**

Follow the **GREY ARROW** into the Urban Storage Office at 918 S Horton and call us: 206-325-5678.

Or, if you are feeling adventurous, follow the **BLACK ARROW** to **LEVEL P2**. On the left is a call box. Dial **1015** or scroll through the directory to call **FREEDOM PROJECT**. We will buzz you through to the elevators. (The elevator buttons might take a minute to register the code.)

Take the elevator to the 10th Floor and we will meet you in the Lobby.
